PROFILE

I translate ideas into design. I'm a Communication Designer with a UI/UX approach, who makes design that connects people and makes us feel more human. I have a weakness for great ideas, good typography, and nice layouts. I'm also a writer on my free time, who is seeking for a position in Graphic Design.

SKILLS

» Design
- Expertise in Sketch and Adobe Programs, such as, Photoshop, Illustrator, InDesign, and After Effect.
- Keen eye for layout, color, typography.

» Develepment
-Skilled web design and development – Html5, CSS3, and Bootstrap.
